U.S. AIR FORCE

Objective

This PowerPoint was developed to help Agency/ Organization Program Coordinators (A/OPC) with navigating through CitiManager to perform daily function to support cardholder within your respective hierarchy.

This PowerPoint does not replace or take away from training material developed by Citi. The sole intent is to give a quick tutorial on some key functions and where to go as an A/OPC.

Manage User - Card Account

U.S. AIR FORCE

Here you can search accounts within your span of control. This can be done one of two ways, you can pull all accounts by clicking on search or by entering a specific cardholder information. In search field below, you will see their username if establish, card name, bill type, account status, and the employee ID for those who have enter it in their profile.

To access the account, click on the last six of the account number. Note: account that don't have an username, reach out to the cardholder to establish one. Next slide

--11 4793 : Restricted

Here, if you see a dropdown icon ^, you can transition between the old and new account associated with the cardholder.

Edit will take you to Account Maintenance, here you can make changes to demographics field, spending controls, add/remove MCC if entitled, set temporary credit and cash, set mission critical, change card activation and deactivation dates, to including ordering replacement card.

View the following dispute Information:

- Transaction Date
- Posting Date
- Transaction Detail
- Dispute Amount/Currency
- Dispute Status
- Dispute Initiation Date
- Disputed by Name
- Reference Number

you can also transfer the Cardholder's hierarchy

Clicking recent, you will view recent activity on an account, also you can view any pending authorization by clicking view authorization

U.S. AIR FORCE

Manage User – Account Management

Here you will be able to search individual account, unlike card accounts you won't be able pull all accounts at once within your span of control. Next slide

Manager Card Program – Bulk Hierarchy Transfer

Here as a non-cardholder you can transfer cardholder accounts (single or in bulk) from one hierarchy to another, provided they are within your span of control. Which means the hierarchy the cardholder accounts are being transferred from as well as the one they are being transferred to must be within your span of control. Next slide
